No prior meeting minutes were available.

New Business

Discussion was held on District 2 election of officers and what could be done to attract WHC members to meetings. Patti mentioned hosting a Meet & Greet event. Carol thought that the Merrill Rodeo might work for a location/event to hold the Meet & Greet. Shaughn said that she would ask/solicit ideas for attracting new members and hosting an event on the District 2 Facebook page. With new elections, Shaughn brought up that it will be time to elect members for the offices of president, vice president and secretary; it has been difficult to attract people to become officers because of the travel distance between committee meetings. She added that it seemed the only way we could get people to attend would be to host a Zoom meeting or set up a personal phone call with attendees who could not make it. It was mentioned that it seems that emails were being ignored. For the next meeting, Shaughn is going to find out how other districts are being effective with maintaining meeting attendance.

The upcoming WHC Education Day was discussed. Lori Seliger agreed to check with Wausau Boot & Saddle Club to ask if they would be interested in hosting this year. A motion was made by Patti to end the meeting, and was seconded by Carol. Meeting was adjourned.
