Agenda items

1. Youth Program - Lee is looking into having a "Learn about Farrier Work Day"
2. Ride D3 Trail Program - The group decided to continue it next year. Lee will look into digitizing our emblem to be put on a decal and given out when people join the program. Linda Ernsberger is looking into level awards.
3. Wild Goose Trail update - Diane Sackett reported that the Wild Goose Trail that could be cleaned out from Hwy. 60 to Pautsch Rd. was completed. There were a few short sections that had to be skipped due to standing water. Dodge County Parks Dept. is acquiring a new mower that will help to maintain the trail. However, the Friends of the Dodge County Parks Group is looking for ways and means to fill some of the low spots on the trail. The Poker Ride held to help raise funds for the trail was pretty successful and had more horse riders than any other user group.
4. Lisa Docter gave a brief talk about Back Country Horseman of Wisconsin telling us of some of their goals. Our group would like to have her back for more details.
5. It was decided to donate \$100 total for 2 baskets for the "Winter Day at Springbrook" put on by WSHCEF.
6. We decided to have no meetings in December or January. Our next meeting will be February 20, 2019 at the Sackett Ranch.
