

District 3 WHC March 2 2024

Call to order by D3 Rep Bonnie Shepherd after we all enjoyed a super good potluck meal.
Held at Horse and Ranch Supply, Burnett WI

Upcoming clinics –

- Dust It Off - April 28 2024 being sponsored by 3 groups – WHC D3, WSHC Equine Foundation, Dodge County Horsemen’s Association. Focus in the morning on youth for showing equines, and afternoon is trail obstacles open to all ages. Hosted at Sackett Ranch, Burnett.
- Kick up the Dust clinic is tentative for the fall of 2024. Similar format
- June 1 - Northern Kettle Moraine Riders are planning an event at Northern Kettle State Park.

WI Horse Council membership offers insurance for only a \$20 upgrade, and member numbers help towards the voice of the equine industry in the state.

D3 budget year begins July 1. If you have an event that might benefit and qualify for funds please submit your ideas asap to Bonnie Shepherd.

All youth – what would you like to see and do? A youth ambassador program?

All anyone – what ideas do you have and who can help get it done?

- Idea for next year Horse Fair – present all youth members in the coliseum arena during horse fair, with or without their horses. Maybe a team/hitch wagon for members that don’t have a horse at the fair. Showcase our youth members to the public!
- Youth Meet and Greet during MWHF – Heather Kuenzi is looking at scheduling a meeting for all youth members of WHC. Look for more info on Facebook!
- Trail ride / campout for all ages

WHC Roundup program was presented and fresh off the press maps are available.

Keep up with the WHC District 3 Facebook page for information as it happens.

Meeting adjourned 310pm
