Ideas for sponsorships to use D3 funds before June 30

- Support 2 classes for youth drivers, Carriage Classic
- Move and second (Linda/Davis) 2 classes, not to exceed \$100 for June carriage event
- Move and second to provide 2 baskets, \$50 each, for Sleigh Rally
- Need to replace banners
- Consider holding an event for youth in May or June
- Rock River Ranch in Neosho might host a kids' event; they are youth-focused
- Lee and Diane could provide location
 - Host a group, kids plan and implement the event; bring their own adult chaperones

- Not competition; have fun, games, activities, fellowship, roping, campfire
- D3 members could provide trailering for kids without transport

Working with 4H leaders

- D3 is 13 counties – contact Autumn Quinn Reilly or Liv. Katie will contact.
- Propose youth directors or junior directors to organize activities through 4H
- Ask 4H leaders what the kids would like
- Support kids in the counties that don't have the money or resources, eg. Waushara is less affluent

Lee – Consider a clinic for kids without bringing horses.

- North of Seymour
- Make hoof picks
- TJ or Dan
- 4H Day in different counties and all the horse projects
- Lee will follow up – spend the day with a blacksmith
 - Joe Nygren, International champion farrier
- Lee will report back in February

Are there any trails that need contributions?
