Margo Miller attended District 3 meeting, and shared with us the Large Animal Rescue Program WSHC Equine Foundation has been promoting. Excellent information. A Solid program with qualified instructors. Work began on the rescue training after the 1st Halloween House Parade. **District 5** will be

sponsoring a training October 14, or 15. They are offering 1 scholarship for each District. It was motioned and passed that District 3 will support an additional scholarship. Anyone interested must contact Smokie Brannaman by 10/1/10. His phone number is 920 532 0307. Let your local fire department and police department know. Just considering the possibility of a trailer wreck and what tools to use prepares your emergency rescue group when the time actually comes that they need to use them. <http://www.wshcef.org/news.html>
