Old Business: Pat received an email from Dana Sechler stating he did follow up with TJ Clibborn about being a clinician for the ranch or obstacle course event. TJ would not be able to commit to any events at this time.

Brooke mention a clinic for the kids on basic horse care and basic instruction; something we could do ourselves. Candy will check with Carol Wagenson to see about the use of the Mauston Fair grounds.

An obstacle clinic with Billy Yoder was suggested to be held in Black River Falls. Pat contacted Mike McGowan and Mike will check with Billy and the Fair Grounds to check on availability. Possible dates are April 6<sup>th</sup> or 14<sup>th</sup> 2024 for both events. Talked about possible 4-H to supply a food booth.

Tack Swap was planned for November 18<sup>th</sup> 2023 at Club 16 in Sparta. Since this is the beginning of deer season, we will call it "Deer Hunters Widow Tack Swap". Crafters are welcome. \$20.00 per space/table. The rental cost of the venue is \$50.00. It was suggested Justin Bailey and Lucky M tack store for vendors at the sale.

Deb mention Ryan Rose as a possible clinician for future event. She will check with him to find out what he charges and can do.

No New Business

Next meeting is May 16, 2023, at China Buffet Mauston 6:30 p.m.
